

Team WCJ - Demo

Christopher Coyne ctc2141

Phu D Pham pdp2121

William Chiu wnc2105

Julie Song js5360

1. Completed at 8.00 pm EST. During the presentation, we ran into some technical difficulties with Docker, and we also had to make a small adjustment midway through the presentation in order to allow multiple users to access the product at once, so there was some time delay associated with that.
